**PRESENTED BY THE STUDENTS OF
LINDBLOM TECHNICAL HIGH SCHOOL
CHICAGO**

“Architecture is Frozen Music”

The beauty of Lindblom's stately walls has contributed to the mental health, power, and pleasure of the many eager students who have found inspiration in the noble traditions of our school. Although beautiful surroundings are not necessary for effective education, inspiring architecture adds greatly to the school spirit. From the time a Freshman enters through Lindblom's mighty pillars until he leaves our beautiful halls with his diploma, he is constantly reminded of man's higher aspirations by the symbolic splendor of Lindblom. It has always been Lindblom's goal to arouse within the student an appreciative attitude toward the true qualities of his surroundings.

Everlasting Memories

Yes, the deathless charm of Lindblom's "halls with beauty blessed" does create within the student an appreciation and an everlasting memory of the beautiful environment of their Alma Mater.

Members of organizations of Lindblom which increase the many opportunities for character development may be distinguished by these honored emblems of traditional significance.

Man of the Year

Coach E. L. Moore
"Grand old man" of prep football

Lindblom's fame in athletics and sportsmanship is due largely to the untiring efforts of E. L. Moore, during his twenty-eight years of coaching. He came to Lindblom in 1919, when Lindblom was first built; and under his tactful guidance, the Eagles became a renowned football power. Through his expert coaching, Lindblom's teams have won nine central section titles, tied for first place three times, won six City League Crowns, two Kelly Bowl trophies and a share of another all-city title. And now it is time to say "good-by" to Mr. Moore; he will always be remembered, loved and respected as one of the finest of Lindblom's traditions.

Christmas . . . Season of Traditions

Lindblom is known throughout the city for the dignity and splendor of the traditional Christmas assembly, the most significant and impressive performance of the year.

It is a traditional custom for the senior counselors to intensify the Christmas spirit among the students by singing the better known carols throughout the building.

The "wishing tree" in the girls' gymnasium is adorned with brightly colored pieces of paper on which are written wishes of both a serious and a frivolous nature.

"This is Lindblom"

Symbolic of Lindblom's magnanimous spirit is the traditional pride students have in maintaining our building's fine appearance.

The championship spirit of Lindblom's teams and musical organizations has brought many shields and awards to the walls of Keeler Hall and many trophies to our main corridor.

"Small kindnesses, small courtesies, small considerations, habitually practiced in our social intercourse, give a greater charm to the character than the display of great talents and accomplishments."

. . . *Advancement and Culture*

The adjustment and placement offices, under the supervision of three full time counselors, as a source of aid in vocational guidance and college selection, are invaluable to ambitious students.

Traditionally, the publications of Lindblom, the *Weekly* and the *Eagle*, have been looked forward to by the student body as a source of pleasure and a reminder of significant events.

"That the uplifting power of music may touch with strength and beauty the lives of our community this organ has been presented to the Lindblom High School by Howard W. Elmore."

The School

For twenty-eight years, Lindblom has contributed to the advancement of society by affording eager minds the opportunity to enlarge their horizons and better to relate individual life with the universe and the whole of mankind. Only through the great efforts and devotion of the teachers could this have been brought about. Lindblom now moves mightily forward, gleaning from the past those fine traditions which have made her life so full, and striving ever onward to produce a cultured and well prepared citizenry.

Administrative Assistants

MISS GENEVIEVE SULLIVAN, *Administrative Assistant*

Miss Sullivan is liked and respected throughout the school, for in addition to her preciseness and efficiency in helping with the various administrative duties which arise, she is widely known for her fine character and sense of humor.

Mrs. Wilbur ably assists Mr. Palmer and Miss Sullivan in registration and other administrative duties.

Efficiently caring for the various clerical functions necessary to the administration of a large school is a competent staff of clerks.

Mr. Harry F. Yates, Principal

Wise in all matters pertaining to Lindblom's traditions and customs is Mr. Harry F. Yates, principal. Since he came in December of 1942, he has handled the problems of the school and its students with intelligence, skill, and sympathetic understanding, developed in his years of contact with young people.

Behind the Principal

MR. EDGAR H. PALMER, *Assistant Principal*

Mr. Palmer's genuine concern for the faculty and student body has caused him to become a friend to everyone. His genial character and skill in student adjustment have given him the wholehearted support of everyone at Lindblom.

Miss Anna Robin, assistant principal of Lindblom at Hubbard, affords incoming Freshmen the opportunity to establish an excellent foundation for the subsequent years at Lindblom proper.

The Renderers of Administration

Mr. Rupprecht is recognized as the placement counselor of Lindblom. His advice about college entrances and part time jobs is a continual help to troubled students.

The adjustment counselors are Mrs. Malloy and Miss Crisman. Because of their kind understanding, many students have become more enthusiastic about their schoolwork.

The attendance counselors, Mrs. Atkinson, Mr. Shore, Mrs. Connolly, Mr. Bach, and Mrs. MacDonald, keep check on the attendance records, which results in punctual Lindblomites.

Activities

Since the wisdom of a learned student comes by the opportunity of leisure as well as through one's applied investigation, one cannot obtain a well rounded personality by participating singularly in the customary ritual of classroom activity. As one's true personality is moulded by the influences one obtains in his spare time, the traditions of the many clubs and organizations at Lindblom have been established principally to augment the knowledge, aggrandize the personality, and cultivate the student's capacity to such a degree that he will achieve the best possible position in life, and attain an unparalleled personal satisfaction in living.

Yours Truly

Every year, as a tradition of Lindblom, the *Eagle* Staff brings forth the school's literary masterpiece. Its elaborate pages are the result of much effort, as can be testified by any of the staffers. This edition's editors were Elaine Strikol and Harlan Hawkinson, Co-Editors-in-Chief; Elaine Burns, Literary Editor; and Irene Gordon and Bob Piha, Girls' and Boys' Sports Editors, respectively. The business problems were solved by Jeanne St. Germaine, Business Manager, under the supervision of Mr. V. C. Mills. Miss C. L. George is our faculty advisor.

Date With a Deadline

Mr. Calpha, sponsor of the *Weekly*.

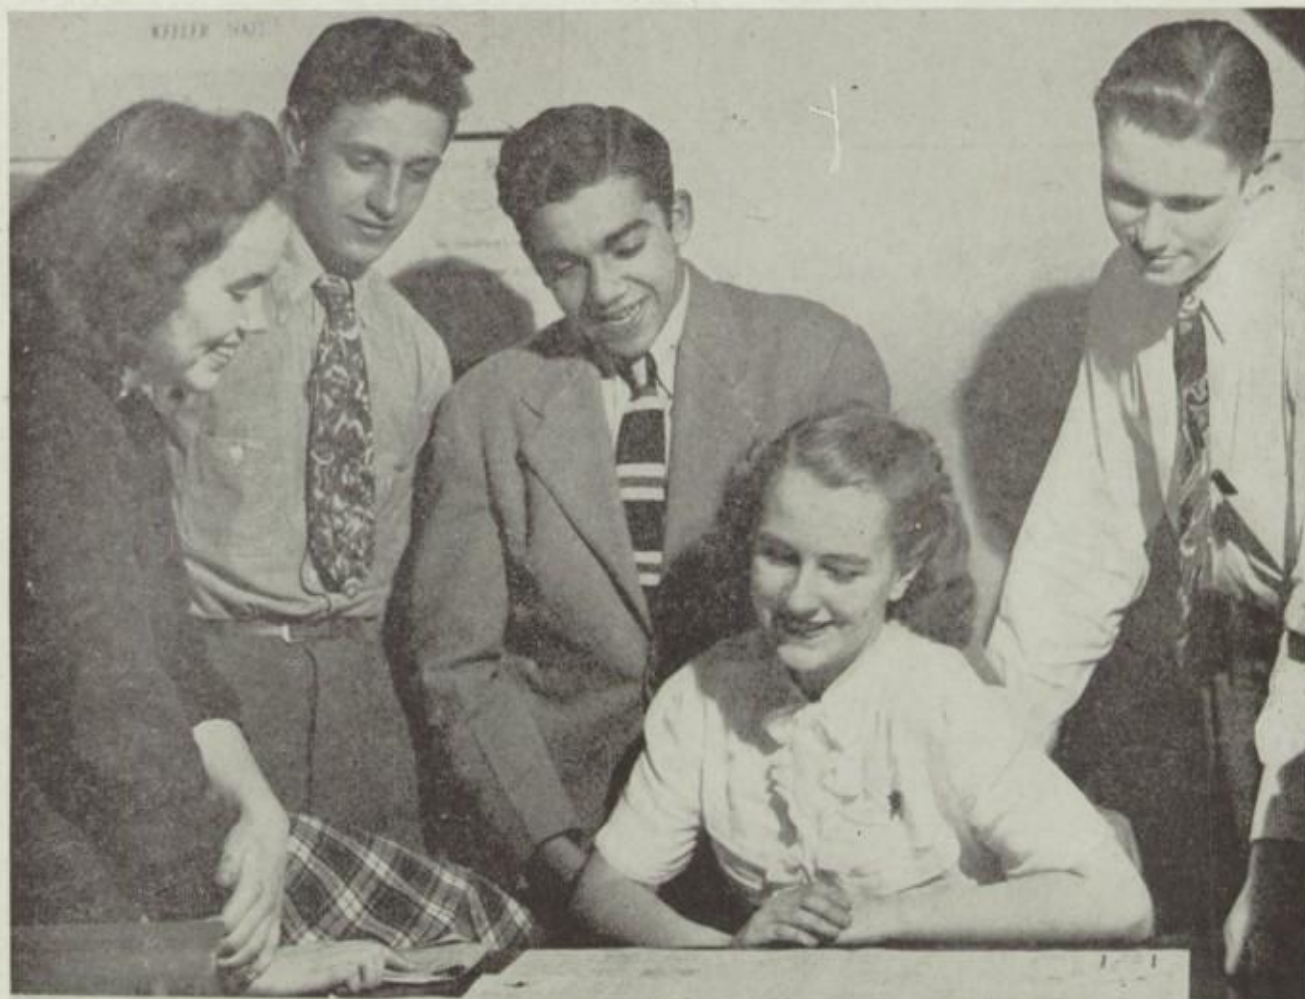

John A. Smith, Editor-in-Chief of the *Weekly*.

The *Weekly*, the only other literary publication besides the *Eagle*, keeps us up to date through the weekly newspaper, which furnishes the school with current social and athletic news. The features, the editorials, the club news, the sports news and sometimes the jokes are found entertaining and instructive by all Lindblomites, members of the faculty as well as students. The *Weekly* is called a "Well of Information" by the staff, and judging by the eagerness of the students who wait so-o-o patiently for each issue, it must be true. The members of the *Weekly* staff spend much of their time doing the various jobs that must be done, such as, typing, writing, etc., for the *Weekly*. Under the supervision of Mr. Calpha, the sponsor, each member does his best to help produce a better school paper.

During its many years of existence the *Weekly* has boasted of a capable, efficient editorial staff. These students spend many of their free periods at the task of composing this publication. The following names are of those students who have turned in a splendid job this semester. Heading the staff was Earl Keating, Editor-in-Chief. His aids were Patricia Richardson, Mary Tziritas, Betty Dawson, Violet VanRy, Charles Templeton, Dorothy Milchrist, Lettie May Walsh, Allan Caditz, Dorothy Odehnal, Harold Geiser, Jerry Zacovitch, Ruth Small, Wayne Schmuhl, and Ruth Harris.

If you happened to look in, you would most likely see every staff member rushing about getting all the latest news assembled in time for the next edition of our school paper. The efficiency of the *Weekly* staff is recognized by everyone; for every week a carefully prepared *Weekly* reaches the hands of almost every student at Lindblom.

Whenever Lindblom puts on a stage production you can count on it being a big success. Part of this is due to the wonderful lighting effects which would not be possible without an organization known as the Light Brigade. The Light Brigade is composed of boys interested in electricity and the production of color in a stage play. These ambitious fellows spend much time and hard work in planning the lighting for each assembly.

The movie projection club is a very helpful aid in the study of various courses. The members of this group have assisted biology and physics students in the particularly difficult phases of these subjects by the skillful way in which they show movies.

The Student Guild is an organization that consists of eager-to-learn students. During its meeting frequent discussions and lectures are held concerning such subjects as music, the many branches of science, politics, and people and their customs. These are by no means the only topics of discussion. In one year almost every field of interest is explored. Mr. Palmer, the sponsor, delivers most of the inspiring lectures.

One of the most outstanding events of the past year was the quiz between several students and three teachers: Mr. Palmer, Mr. Weckel, and Mr. Williams.

USHERS

Who are the lads who stand near the exits during the assemblies in Keeler Hall? That can be answered in a few words. They are the Ushers of Lindblom High School, who devote their time to any doings in Keeler Hall, whether during school hours or evening hours. They are sponsored by Mr. Moehle, who selects these boys for their courtesy, initiative, and adaptability. Their attitude toward their work is traditional Lindblom Spirit.

ADVERTISING STAFF

The Advertising Staff of the Year Book does not claim all the credit for trying to make the *Eagle* less expensive. Most of it goes to the *Eagle* Ad Club. The members use every effort to obtain advertisements, which you see in the back annual. They gain confidence in themselves as salesmen and obtain a small commission for their work. This group is sponsored by Mr. Blomquist, who has great faith in its work.

A heavy crash fills the air as the pins scatter under the impact of the bowling ball. Then a Lindblom bowler turns to chalk up another strike for Lindblom, trying his best to raise the score in another field of Lindblom's many sports. The top bowlers of the team are picked by the watchful eye of Mr. Culbertson from the bowling league. These players then make Lindblom's terrors of the pins, the bowling team.

One of the most coveted positions a senior boy can strive to attain is one on the Senior Boys' council. The Council is composed of eighteen boys chosen by the students and teachers, as well as by the Council. Under its sponsor, Coach Moore, the organization annually publishes the Pep Book and also supervises the upkeep of the buildings, represents the school, and sponsors various social events. The Council has done its share to preserve Lindblom's spirit and traditions.

The Inter-Cabinet Council

The Inter-Cabinet Council, sponsored by Mr. Jepsen, is composed of representatives from the various organizations of Lindblom. It is an honor to be chosen a member of the Council and to represent the student body. One of the accomplishments of the Council is the furnishing of soap and towels for the washrooms. Another task was the compiling of names for the Servicemen's Plaque. Several of the Friday night dances have been sponsored by the Inter-Cabinet Council in addition to the Sno-Ball and other special dances during the year. The Council also assists in the annual Spring Clean Up Campaign.

Through the hard working efforts of the Mail Service girls, all the offices are kept running smoothly and without error, and the typing, filing, and the filling out of minor reports that these girls do, relieve the teachers of a large amount of tedious work, thus enabling them to devote more time to class instruction. When a girl has worked three semesters on the Mail Service, she is entitled to a Pink Jacket, and to become a member of the Cabinet whose meetings are held once a week. The Pink Jacket girls with the aid of their gracious sponsor, Mrs. Atkinson, plan two delightful teas each semester which are enjoyed by all who attend.

The Machine Age

Comptometry has become so popular that students plan long before registering to get into a class. They want Comptometry because they know they can learn how to operate the machine with the greatest of speed and accuracy, and they also know that they improve their arithmetic background through their homework, which is again an asset to help the graduates apply for Comptometry positions. What makes this kind of position so important is the fact that the operator can rightfully expect promotions to higher up jobs before long, for most upper positions come from the Comptometry Department.

Our Ribbed Trebelettes

One of the largest musical groups in Lindblom is the Girls' Chorus under the direction of Mrs. Roberta Wiersema. They can be heard practicing every day, third period in Room 213. Their white skirts and blouses, and maroon collars with gold staffs identify them. Their officers are Adele DeKoker, President; Audrey Huff, Vice-President; Joan Carey, Secretary; Teresa Roubik, Treasurer and Betty Axelrod, accompanist. The chorus now reaches a high standard.

Cap's Hep Cats

Through the years the Lindblom band has been one of the school's outstanding musical organizations. Performing at football games, assemblies and various other affairs, these talented musicians have shown the fine results of their many hours of practice. They are indeed richly rewarded, for year after year the band has walked off with top honors in the annual contest between the various high school bands. Credit for these merits should be given to Capt. Sawyer whose leadership has made this fine record possible. We hope that the band will have as brilliant a record in the future as they have had in the past.

The majority of the members have taken an interest in music since entering high school. Before getting into the concert band one must have some experience in playing with a group and also must know something about music. To acquire these skills a student is first placed in the beginners' band, then the intermediate and finally the concert band.

Executors of Contrapuntal Compositions

As a long standing musical organization of Lindblom, the Lindblom concert orchestra not only develops in its members proficiency in playing an instrument, but forms an integral part of their cultural education. The actual playing of well known classical pieces stimulates in one a taste for good music, as any former orchestra member can testify. Playing an instrument, however, is not as simple as one would think; it takes a great deal of practice to perfect the presentation of an orchestral piece. It is for this reason that the orchestra does not perform publicly as often as some of the other musical organizations of the school, although it does play at every graduation, the Spring Festival and the Open House. By enrolling in the beginners' orchestra and working up to the concert orchestra a student can learn to play an instrument to a satisfactory degree. As if the satisfaction wasn't enough, membership in the concert orchestra gives you points toward the Golden Eagle. "Orchestra" can be taken as a major or minor credit or as an extra-curricular activity.

The Madrigals

The word "madrigal" means sweet song; so no wonder this smaller group of the A Cappella Choir is known by this name. The resonant, blended voices of the Madrigals are obtained through the special consideration and patience of Mr. Joseph Taylor in judging the final contestants during tryouts. It is the ambition of every choir member to acquire such a pleasant voice that he may be chosen for the Madrigals. The Madrigals prove themselves worthy of presenting fine programs of good music at places where there are no accommodations for the full choir. Sometimes, when Mr. Taylor cannot be present at an appearance, the Madrigals give an excellent performance on their own.

Our own A Cappella Choir is one of the leading choral groups of the city. This fact was revealed when the choir won an "S" plus rating in the recent city choral contest. This rating was made possible only by constant practice and excellent direction of Mr. Taylor, the conductor of the A Cappella Choir. A high standard of E plus scholarship is maintained in the choir.

The choir makes numerous appearances in Keeler Hall for various assemblies, but these are not the only performances which they give. Frequent outside appearances are also made at various clubs and churches. The music sung by the choir includes everything from Palatrina Responses to early American spirituals and patriotic numbers.

The choir accompanists are Herbert Bielawa, Yvonne De Lacy, and Marlene Weston. Howard King is the manager and student conductor. Florence Hoyne is the secretary.

When you hear a stirring march or a song of Sigmund Romberg echoing through the halls during fourth period, it is the Boys' Chorus rehearsing. This male chorus, under the direction of Mrs. Wiersema, meets every day for its rehearsals. The chorus takes part in school assemblies, the annual Spring Festival, and also appears in many community programs. The officers this semester were: Eugene Small, president; Robert Huff, vice president; Ken Parquette and Grant Lovelle, Co-Secretaries; and Ken Hilger, Treasurer. New members are needed every semester to balance the parts, and any boy who enjoys group singing would profit by joining this chorus.

Excellence In Erudition

The Honor Society is an organization composed of students who rate high in scholastic ability. To become a member of this organization you must make all "E's" in your major subjects and not less than a "G" in your minors. Students who go beyond this achievement and attain grades of all "S's" in their major subjects and not less than "E" in their minors, are eligible to receive a Superior Scholarship Certificate, at the Honor Society assembly, which is held at the beginning of each semester. At this assembly, every member of the Honor Society is presented with a pin by which he can be identified. The majority of the students who received honor certificates this semester have received at least one before.

The Sub Debs, under their sponsor, Mrs. Rule, meet once a month for social purposes only. They have refreshments and entertainment at each one of these monthly meetings. The main event of each semester is the initiation, when the new members carry baby dolls to all of their classes. At the end of the initiation day they meet in the Girls' Social Room with the other members of the club and here their initiation is completed. They then are full fledged members of the Sub Debs.

What is a Hall Guard? This question can be answered partly by what you would naturally think the name would mean. They guard the halls and protect the students by setting a standard of conduct. The attitude taken by some students, that of completely ignoring them, is not a worthy one of such a school as ours, for the Hall Guards give service and guard our lockers at all times. Their job is not an easy one, for besides seeing that all who go through the halls have a pass, they must also keep the halls clear of debris and in good order. The sponsor for this organization is Mr. Hollister. Under his careful guidance the Hall Guards have succeeded in keeping order in the halls.

The language clubs further the students' interests in Spanish and Latin by acquainting them with the literature and customs of the countries. Each month the club puts on a program which is educational and entertaining; popular songs are translated and sung. Spell downs aid in the developing of an extensive vocabulary. At the end of the semester a party is held with the dues collected, bringing the semester to "un fini allegre."

Los Comicos Y Los Perizosos

The study of Spanish is made vital and interesting by participation in the Spanish Clubs. Two of the many clubs, Los Comicos and Los Perizosos, sponsored by Miss Moore and Miss McLaughlin, aim to give the student a better knowledge of the culture and customs of Spanish speaking countries and further our friendship with them. When Los Comicos or "The Comedians," and Los Perizosos or "The Lazy Ones" meet each month they play Spanish games, have small plays and quiz programs, and listen to radio skits, records, and discussions about the countries south of the border. The officers of Los Comicos were Bill Markel, Mary Tziritas, Elsie Bertsoz, and Elaine Burns. Los Perizosos elected Norma Brown, Lois Snyder, Renee Draiken, and Rosemary Hefeli.

What puts the spice in a Spanish class? The Spanish Club, of course. This is a bi-weekly happening which every class member awaits with pleasure. Each club has its own special name which sheds light on the members. For instance, "Los Miserables," or "Los Foresteros Al Espanol," are typical ones. At each meeting the program chairman presents some type of entertainment. Sometimes a Spanish play is given or some talented person sings or plays a musical instrument. Everything is strictly Spanish, and anyone who speaks in English is fined. There is also a nation-wide Pan-American Club to which many of our school clubs send representatives. This does the same things as our clubs, but on a more extensive basis.

The Golden Eagle

The Order of the Golden Eagle, originated and sponsored by Mr. Palmer, is comprised of students who have attained Lindblom's highest honor, the Golden Eagle. This award is a large maroon "L" with a golden eagle poised in its corner. It symbolizes outstanding achievement in scholastic proficiency, service to the school, athletic accomplishments, or participation in extra-curricular activities, or a combination of these. To obtain a Golden Eagle a student must earn ten or more points through participation in the above mentioned activities. For instance, one point is given for the athletic "L," a point is given for each semester of superior scholarship, from one-fourth to one-half of a point is obtained for each semester of participation in Lindblom's musical organizations, etc. Near the close of each semester, at the achievement assembly, Mr. Palmer presents a Golden Eagle to each worthy student who has met the requirements.

The R.O.T.C. battalion could not function properly if it weren't for its reliable staff. These cadets perform various duties such as issuing the orders to the company commanders and seeing that they are enforced. The members of the staff are the experienced fellows who have shown outstanding ability in leadership. From the time a lad joins the unit he strives to become a member of the staff. A cadet who is chosen as a staff member has put forth a great effort to achieve this honor.

Again the R.O.T.C. has brought honor to the royal halls of Lindblom in the form of taking second place in the picked platoon competition of Chicago. Sergeant Natale and the members of the Picked Platoon are to be congratulated for their fine work. The Picked Platoon goes through rigorous marching formations in working for the competitions which are city wide. This activity is completely voluntary and requires its members to stay long hours after school is dismissed. The boys who participated in the competition received R.O.T.C. "L's" which they richly deserved. Before this year they received shields for placing in the competition.

On Parade

One of the newest and most colorful additions to the R.O.T.C. is its musical section, the drum and bugle corps. Although organized in the last few years, this organization is honored and envied throughout the entire city. The group, although still in its infancy, has placed very high in drum and bugle corps competition this year. Often as one walks through the rear corridors one hears this group practicing, and it seems to quicken one's stride. This group and all other R.O.T.C. organizations is completely voluntary; most of these boys have not used any instruments before they entered this group, but through the tireless efforts of Sgt. Natale they have become one of the foremost drum and bugle corps in the city.

Athletics

As an able man cannot be competent without propinquity of association with his fellow men, so Lindblom's student body find the advantage of the many traditions brought about by the significance of athletic team work. The expression of school spirit, being the most prominent tradition which any organization can develop, is made evident by the repeated superior performances of our teams in competition. Thus through Lindblom's increasing unity of purpose, our teams can continue winning victories and bringing glories to the annals of our school.

Our Eagles Will Win

Our team last year was one of which every loyal Lindblomite can be justly proud. After six long years our gridders finally came through with the Central Section crown and the position of runner-up for the City Championship. The season started discouragingly with a practice game lost to Fenger 20-0. The following Saturday a determined team beat Phillips 14-13 in a real thriller. After this close game Lindblom turned on the power and crushed the other league teams without any trouble to take the Central Section title. Lane was our first play-off opponent. Lane offered some very stiff competition, but in the end we were the victors. The victory was a costly one since we lost our right halfback Remo Ferretti thru an injury. In the final game our boys fought valiantly, but Fenger proved a very formidable opponent and the final score stood 20-0 in their favor. This year's squad worked exceptionally hard and never stopped fighting when the going was tough. The team's fine record is a tribute not only to the boys who worked so hard for a successful season, but also to our retiring coach Mr. Moore.

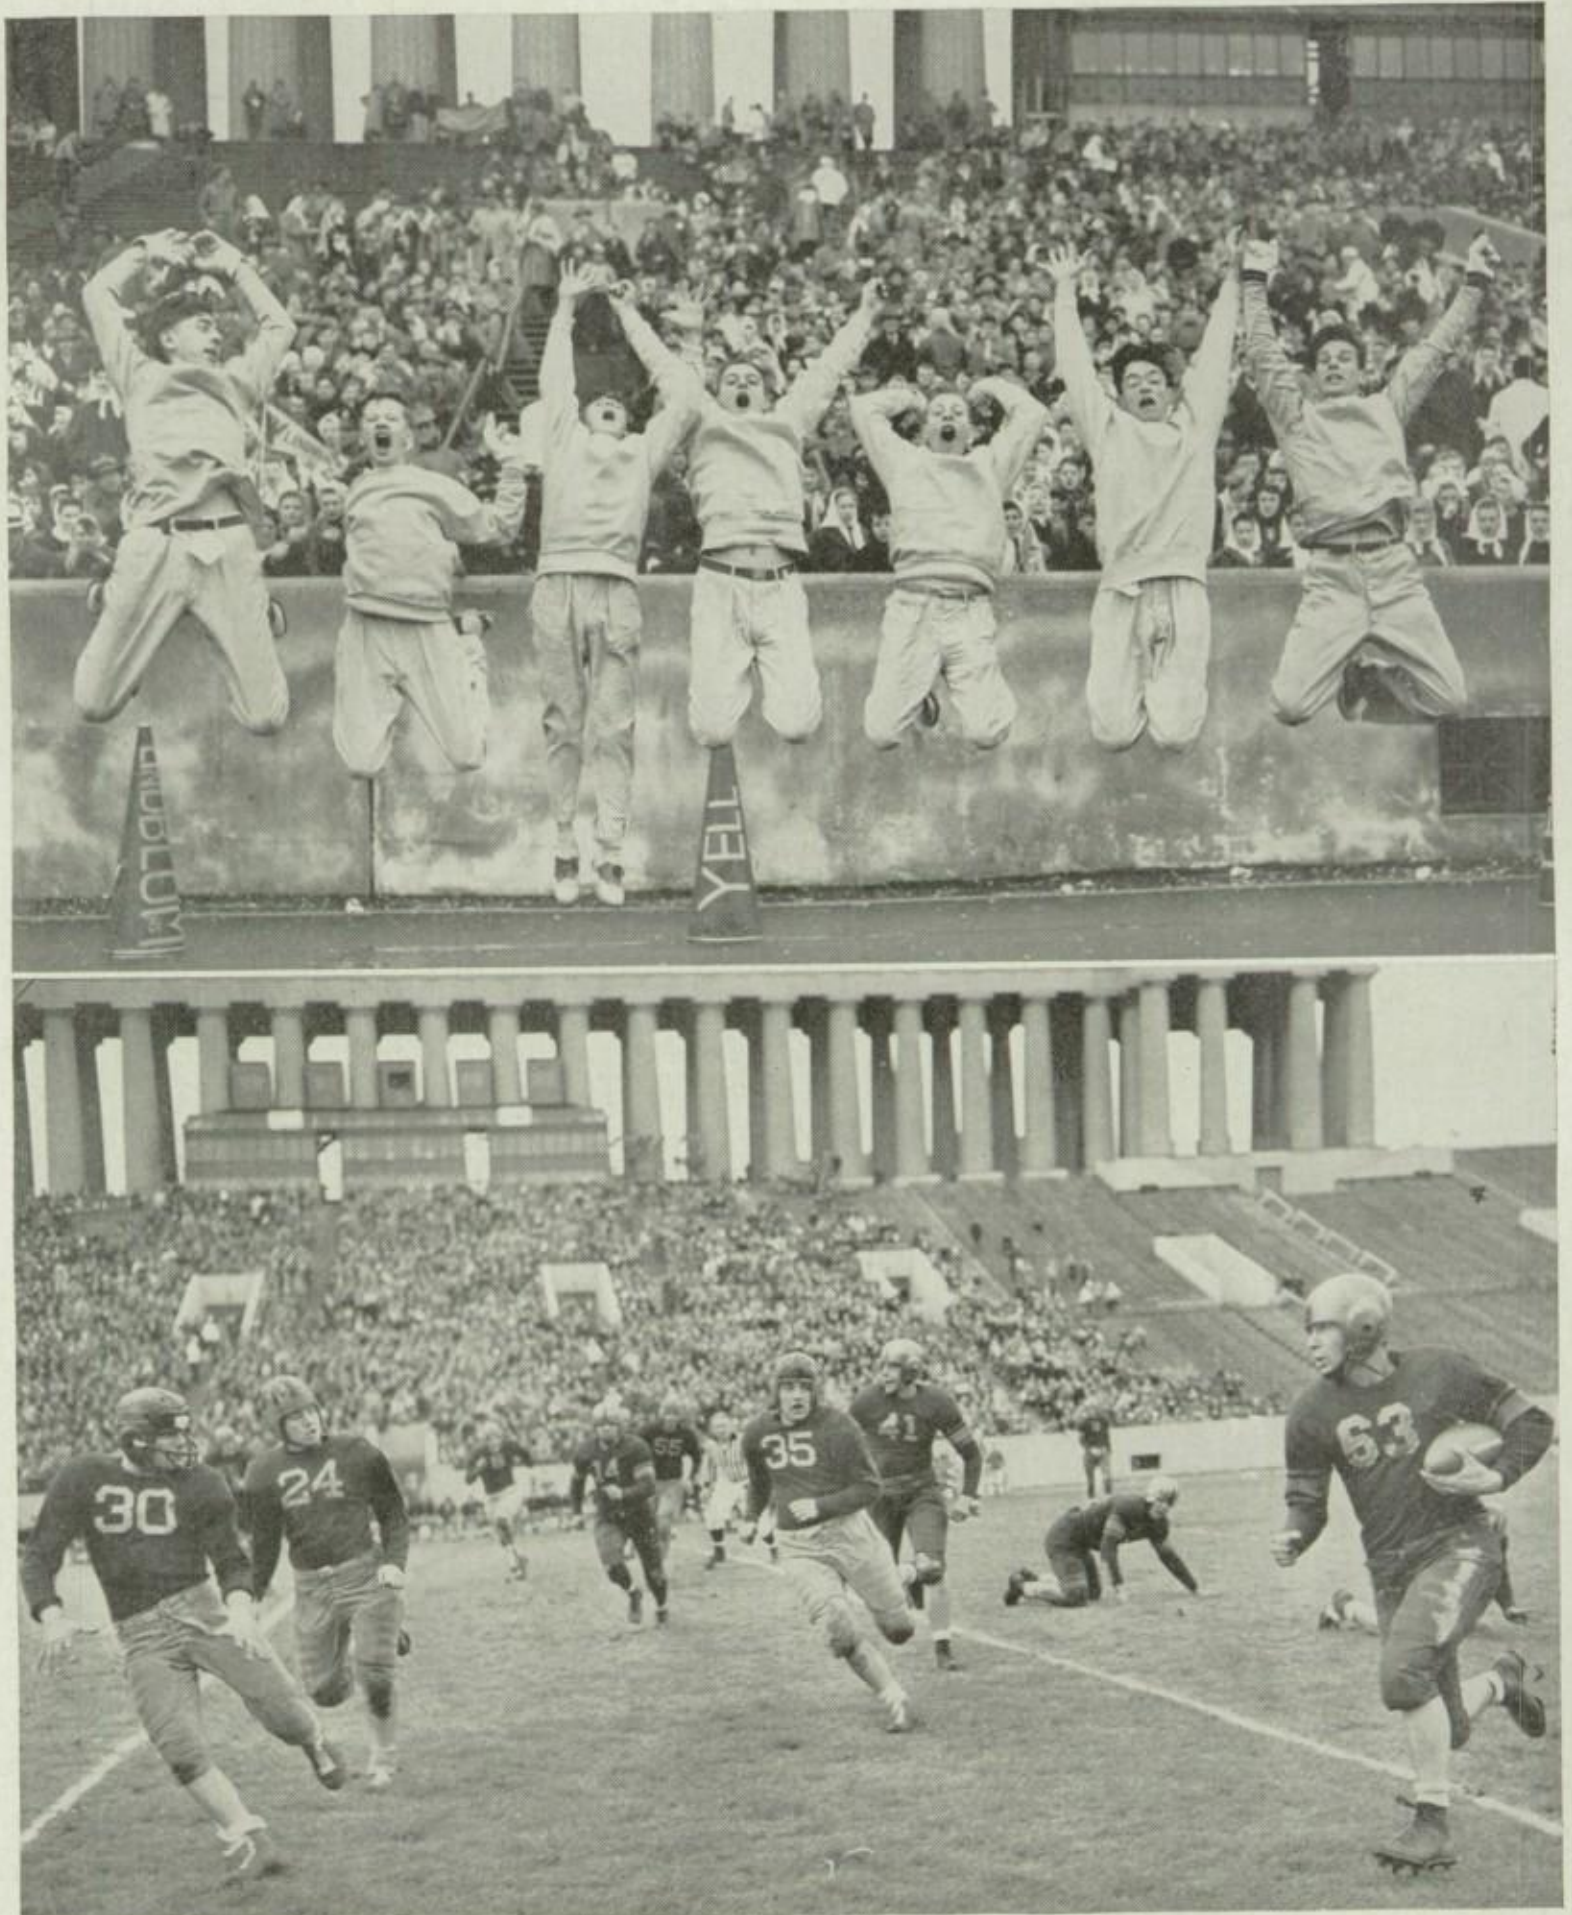

Boom Chicka Boom!

Just as her songs, publications, and other activities are a part of the great tradition of Lindblom, so are her football games, which each year are supported whole-heartedly by both faculty and student body. On the football field, as in all other fields of sports, Lindblom shows her spirit of good sportsmanship, which is partly responsible for her many victories. "Kings of the Gridiron," we salute you!

On Ye Lindblom! Forward, Lindblom!

The true spirit of Lindblom is thoroughly exhibited on the football field, when in those tense moments of anxiety, both the team and the crowds in the stands behave in a manner which displays the sportsmanship for which Lindblom has become famous. That quality of honor that desires always to be courteous, fair, and respectful is always found in the conduct of both the players and spectators of Lindblom. Truly, unexcelled sportsmanship typifies the immortal spirit of incomparable Lindblom.

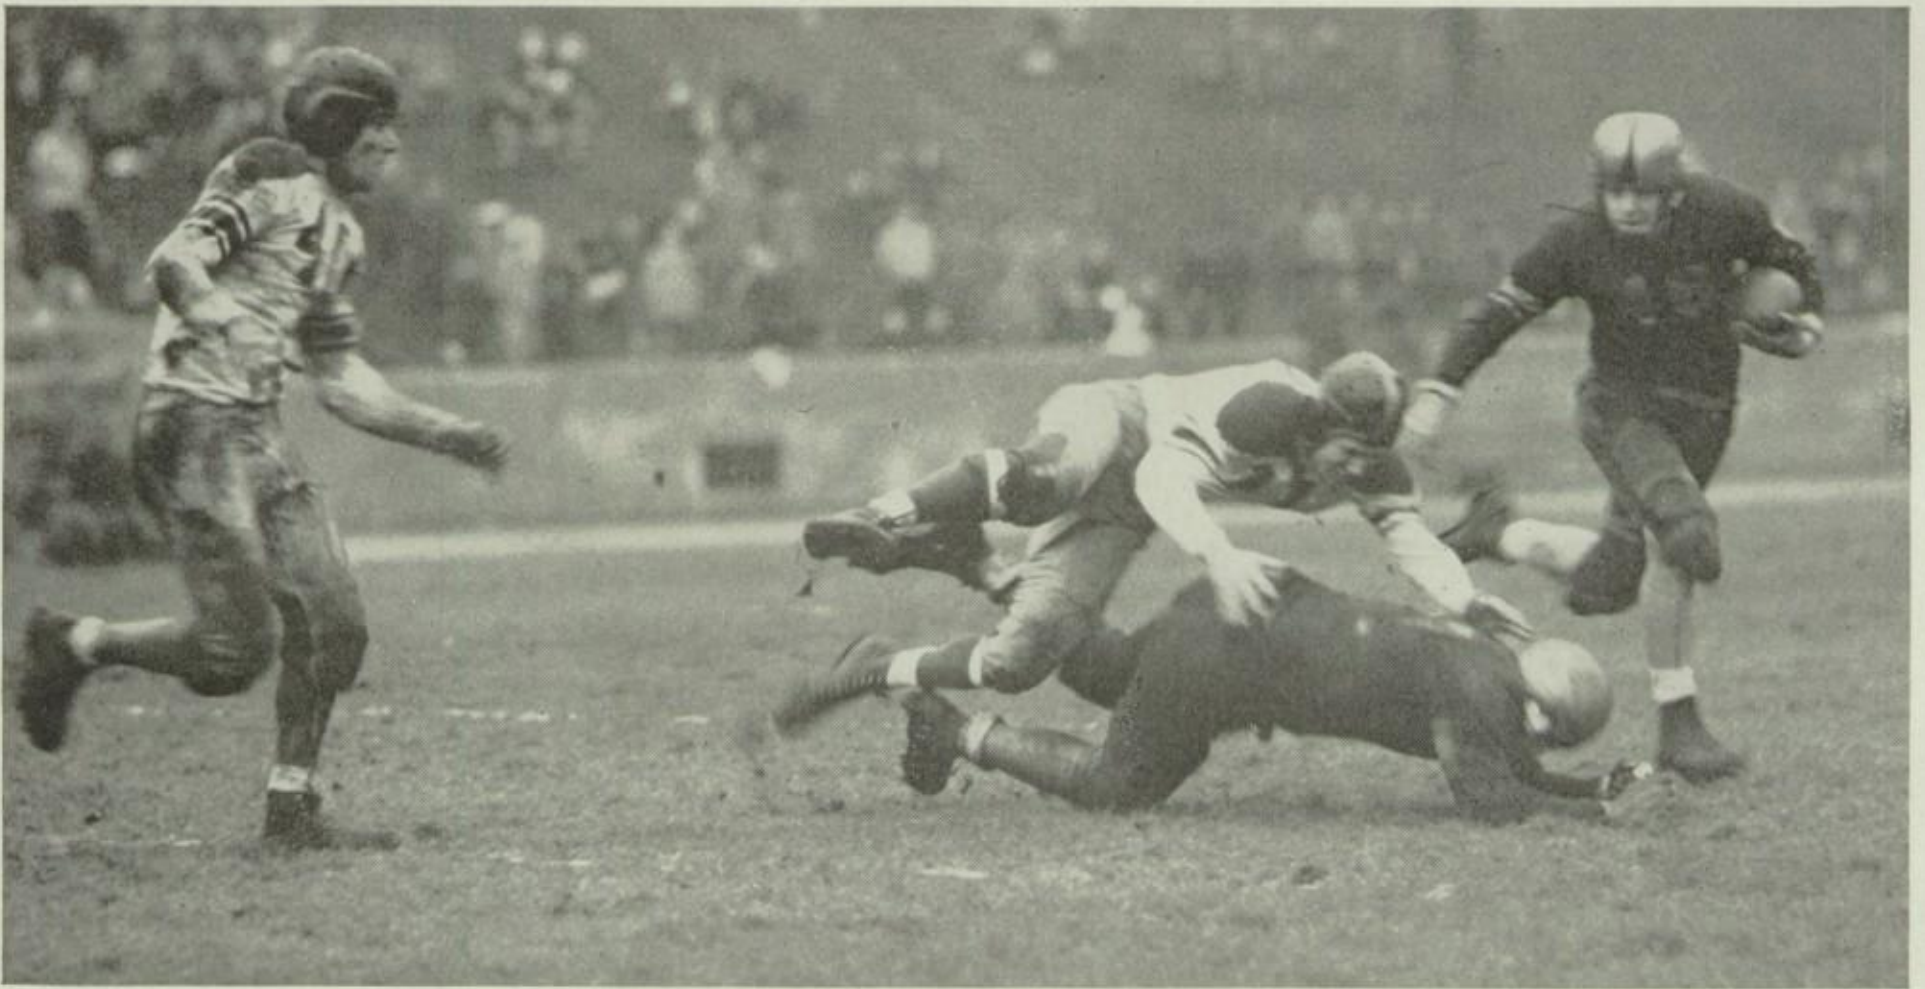

Lindblom Triumphs Over Lane

The greatest moments of the Eagles' last football season were in the Lindblom-Lane game in which the Eagles won the opportunity to play in the city finals game. Staging a brilliant last minute rally the Eagles slipped past a determined Lane team with a score of 13-12 to enter the city finals against Fenger. After Ferretti's kick to open the game, Lindblom scored without conversion. During the second and third quarters Lane pushed ahead with two touchdowns. In the last quarter, with the score at 12-6 in Lane's favor and one and a half minutes of play remaining, Houser faded back to search out his receiver. The ball sailed into Steele's hands on the ten yard line and he plunged over the goal, shaking three tacklers. Houser remained calm as he kicked the ball between the uprights for the point which brought renewed glory to the annals of Lindblom.

Down But Not Out

Yes, at last we were to meet Fenger, the powerhouse of the South section, in the city finals. Even though this vital game proved to be a loss for the mighty team of Lindblom, it was an incomparable one, in so that the valiant spirit of our school was brought to full view during those minutes of severe strain. This is a tribute to the team of Eagles that went forth on a field of mud and came back, though defeated, in the same spirit that put them on that field in the first place. Everyone was behind you, Eagles, and we do wholeheartedly honor you!

BASKETBALL

Boos and cheers echoed across the gym. Sweat streamed down the players' faces as they paced down the floor towards the opponent's basket or defended their own, under all conditions giving their best to the game and their school.

The Lindblom junior and senior teams have again brought honor to Lindblom by earning their rights to play in the city finals. Roaring down the courts these players have earned third place in senior division and second place in junior division for section.

Strenuous practice, time, and patience have wrought a team that is truly a Lindblom team. Under Coach Swiryn these two teams have ended the season very near the top, little to be forgotten by the annals of Lindblom, the opponents that played this team of ours in a great sport called basketball.

"The Team's All Right"

The Junior Basketball Team enjoyed a very successful season this year, winning seven League games and losing one. They succeeded in attaining the best defensive record in Junior Basketball this year in the city. The pint-sized Eagles were second in the toughest section in the city, the central section. Their only loss was to Tilden by the narrow margin of one point. In the play-offs the Juniors defeated Sullivan but lost to Von Steuben in a rough and tumble game. Howie Rehn was high scorer this season.

Energy Plus

Hy-dee-Hy, Hy-dee-ho, Come on Lindblom, let's go. That's one of the cheers you have heard at the Lindblom football games led by our cheerleaders. They have helped us encourage a team that has won the title of Sectional Champions.

Lindblom's basketball team is really out in front this season. Whether at a home game or far from home they have been in the upper groups, winning all but three games. This record applies to both the senior and junior teams. Lindblom is always out there fighting to bring home the honors. Come on, team! Keep up the old Lindblom record and stay at the top.

Smidl's Smiling Samsons

Row 1: Schultz, Bukavsan, Simpson, Bianchin

Row 2: Norwich, Jones, Balek, Dangles, Holm, Mosiej

Row 3: Smidl—Coach, Hill, Kuczerepa, Bryson, Rossberg, Yocum, Chmel, McCauley, Friedman

Row 4: Latch, Jones, Feldmeier—Captain, Stoginski, Jurus

The gymnast? . . . What is he? . . . What does he do? These muscle men of the parallel bars and the monkey bars have always presented a show of flips and stands never to be forgotten on Lindblom's stage or in a meet.

Practicing old tricks and learning new ones under Coach Smidl these men have made a team of champions. Taking city year after year these gymnasts make good Lindblom's honor in gymnastics.

Row 3: Jackson, Christensen, Saladin, Korres, Polie, Harrison, Jackson, J. Updike, Botica, Smidl, Coach

Row 4: Lamb, Micetic, Cwirla

In order to qualify as a junior gymnast a fellow must be 5' 7" or under. These athletes have been rated as one of the top teams in the city. Under the guidance of Mr. Smidl they are taught the art of becoming a skillful gymnast. The team has had such a superb record only because of the willingness of its members to work at their exercises until perfection is achieved. We hope the junior gymnasts will have as many championship teams and win as many awards in the future as they have won in the past. It is virtually impossible for them to fail at this task for they have both the talent and the ability.

Under the direction of Richard Makkay, the array of swimmers and fancy divers presented by our senior and junior teams has proved stiff competition to all rivals. Both teams are sponsored by Coach Bohor.

Bohor's Bone-Breakers

The Wrestling team, sponsored by Coach Bohor, is one of the less publicized teams of Lindblom. These matmen spend many hours in training and practice to keep in perfect condition. They work out after school and often during the evening in outside gyms. You probably have seen the matmen in their maroon and gold tumbling outfits. Intramural wrestling meets help to develop new material and provide experience for boys on the team.

G.A.A. BOARD AND CABINET

The Girls' Athletic Association is Lindblom's largest organization, having a membership of over ninety-five per cent of the girls. Helping direct the gym activities are the girls in the dark blue jackets, known as the G.A.A. Board and Cabinet. These girls work hand in hand with the gym teachers so that all of the gym activities may run smoothly. They give much of their time for teaching gym activities so that the G.A.A. members can earn their bars or an athletic "L". The Board members are picked for their outstanding records in gym work, scholarship and sportsmanship, all of which are important in making good leaders for the girls.

Graduates

From the day the Freshman enters high school until the day that same student is vested in cap and gown, the thought of commencement has grown increasingly eminent in his mind. Through the years he has prepared himself as he deems best for whatever future he chooses. When his diploma is finally presented at the commencement exercises, he experiences a sense of accomplishment, and is secure in the knowledge that he is equipped to meet the future competently and courageously.

Class of January, 1947

Under the excellent guidance of the officers: Leonard Chmel, president; Laurette Buchinski, vice president; Gertrude Schmidt, secretary; and Thomas Steele, treasurer; the class of January, 1947 was one of the most successful of Lindblom's history. The officers, being elected by the students of their class, aid the sponsor by presiding over the meetings of and choosing the members of the class sing, budget, gift, arrangements and prom committees.

Pep's Diary

February

- 3 Well, here it is again, that rugged first day of school. New classes, new kids to get acquainted with, renewing old acquaintances, and meeting new teachers who don't know anything about us—a chance to start life anew! Those mighty Senior A's start on the last mile!
- 4 Freshies get their first glimpse of Lindblom and our teachers bring sacks to school to carry home the apples given them by loving pupils.
- 5 The *Weekly* holds their semi-annual banquet at Mickleberry's and Earl Keating comes out with the title "editor-in-chief."
- 6 Rich Makkay dives into our pool for the first time this semester. Doesn't he swim like a fish?
- 7 Freshman Induction Assembly. Onlookers marvel at Stan Pace's biceps while Frank Nilles graduates again!
- 10 Blue Monday!
- 12 Thanks, Abe!

14 The Senior Girls' Council plays host at Valentine Dance.

- 18 The Honor Society met to elect new officers. Richard (open the door) Radcliffe will preside as president.
- 19 On the way home after G.A.A. Board meeting, Rosemary Hefeli hits the ice, twice. Boy, the sidewalks are slippery!
- 21 We leave our second period classes to hear the Patriotic Assembly. Harlan Hawkinson fills the girls with awe as he sings "Ballad for Americans."
- 24 Election returns!! McGinnis, Hefeli, Zinner and Nilles will rule with mighty hands.
- 26 Honor Society Assembly today. First Semester men, Ray Parelo, Don Halagan, and Tony Malestic proudly wear their pins. Oh, these conceited males!
- 27 Elaine Strikol stood two inches taller today . . . she appeared in the "spotlight." Proud, hmm?
- 28 Carmen "Bolivia" Miranda thrills the audience at the evening presentation of the R. O. Show.

March

- 3 We decide to add the names of Allan Caditz, Betty Dawson, Greta Dolinko, and Pat Richardson to Pep's Diary . . . (members of the *Weekly* staff, you know.)
- 4 The prom committee met today to talk over the plans for our prom. If we don't get a reservation soon, we'll end up by having a formal skating party at the Planet.
- 5 Rita McKenna set her bear-trap outside of Walsh's . . . she couldn't possibly be looking for a prom date could she? Or could she?
- 7 End of the first marking period . . . 800 fingers are crossed! Today we found out that the prom is all set for May 9th! And at the Lake Shore Country Club, too. Nothing but the best for us, hmm?
- 8 WE BEAT TILDEN . . . 29-25.
- 11 Report book day! Oh how we wish we had studied our civics and chemistry . . . 405 prospective graduates are not prospective anymore!

13 Tryouts for the Hearst Oratorical Contest are tomorrow. Eunice Fort is suddenly deceased with an extremely bad case of stage fright!

14 We have a glorious week-end to look forward to.

17 Ann O'Stankewicz celebrates St. Pat's day by wearing a bright green ribbon in her hair!

18 Betty Febel and Jackie Greenhoe come limping out of the gym . . . my, what a strenuous game of ping-pong.

20 Mr. Anderson stares in amazement at his silent division, 108A . . . another dynamic *Weekly* came out today.

21 G.A.A. Party . . . Tra la la . . . spring is here and Rosemary Hefeli, LaVerne Radecki, Rita McKenna, and Doris Reaves show how courtin' really should be done.

25 "Love" and Earl decide to start Pep's Diary!!!

26 Remo Feretti gets another high mark on a civics tests . . . the "Brain."

28 No news is good news . . . (especially from us.)

31 Bob Navratil gets his itching and sneezing powder out. You know what tomorrow is, don't you?

April

1 No school today. April Fool!

3 Ho Hum . . . Loretta Madajewski types 60 words a minute again . . . probably in a hurry to get a letter off to Phil.

4 Holiday.

6 Happy Easter!

8 Again Keith Kolar falls asleep in Mr. Blair's 4th period class. Here's hoping someone wakes him up . . . at least by eighth period!

9 The blue-jacket girls (G.A.A. Board, to you) got all dolled up today for their "Spring Tea." Bet those were their Easter outfits . . . they were pretty enough to be!

11 End of second marking period . . . woe is me!

14 Election returns from "Clearing Boys" . . . John Doyle will reign as president and Bob McCarty has the position of Mr. District Attorney.

15 When the report books were marked today 399 students were out of the running for valedictorian!

18 I hate all men—
They cheat and lie;
They make you laugh—
Then make you cry.

They're awful creatures—
Hearts of tin.
Say! . . . Who's the guy
Who just walked in?

21 We can't wait till next week.

22 "Spook" Benka is still moaning
"Horrible! Never! Sorry!"

25 George Boloukos calmly declares that Clean-Up week is here. Hundreds of energetic students rush home to clean up, and catch up on back home-work!
JOKE.

May

6 School reopens . . . 4A's still trying to catch up! NO JOKE.

7 With only two days to go, Bernie Traynor finally asked a real, live girl to the prom!

8 Since spring is here, the *Eagle* staff has started exercising in front of their cute little triangular window!

9 A soft cool breeze, stars shining brightly, a beautiful full moon, sentimental music, swishy gowns, smiling faces, dancing eyes . . . all this goes to make our "Senior Promenade."

12 With an extremely bad case of spring fever, Ed Streeter jumps out of a third story window . . . with a beautiful little blonde right behind him!

13 Pep's Diary due today . . . ho hum.

14 Flash! Siebert and Tietz argue about basketball technique. Norma Brown settles the argument by telling them they're both wrong!

16 Ken Hilger (after borrowing it from a neighboring mortician), still has his tux on! Won't someone help him take it off?

20 Joe McGregor spends another exciting evening at "Kiddieland."

23 As the third marking period ends, the senior A's refuse to work any longer!!! Mr. Yates changes our minds!

27 Now that the grades are out, again a lot of prospective graduates are not so prospective.

28 Ro, Love, and Mac start planning for their summer vacation. Will it be California or Florida this year? Or will you settle for Indiana?

29 Only 23 more days to go till graduation!

June

2 Bob Vanderbloeg, Fran Cota, Betty Lou Nelson, Dal Hancock, Marilyn Jensen, and Eugene Small wanted their names in Pep's Diary—which goes to show you, we'll do anything for money!

3 At the Boys' Athletic Assembly, again the gymnasts show their muscles. Speaking of muscles, look at Al Jurus!

5 "Mike" starts practicing his speech for the 25th.

6 Gee, but we've got a lot of letter-girls now. Today the Girls' Athletic Assembly was held . . . after all, we can't be outdone by the boys, can we?

11 Lois Snyder finally got her Golden Eagle today. We probably won't be able to talk to her for a week!

14 Odd and frightening sounds are heard from the vicinity of Keeler Hall . . . seniors practice for the "SING."

16 Whoops! Forgot to add Jean Steinke's name to Pep's Diary!

17 Oh, that Loretta Madajewski! She's still writing to "Phil." Only this time, LaVerne Radecki has joined her at another typewriter writing to "Kirk." These two gals are always typing something or other . . . but who are these fellows, anyway?

20 Class Sing! Mike McGinnis flicks a tear from his eye as 405 seniors regretfully say good-by. This was truly a memorable class sing.

25 Here it is, the day we've been waiting for . . . the day we've dreamed of. Sure, we're happy to be graduating, but we'll always remember you, Lindblom, and deep in our hearts, we'll cherish the memories of our years here. All the things they say about graduation seem unimportant now . . . but from the bottom of our hearts, we really mean it when we say, "we'll miss you." Remember us won't you, as we'll remember Lindblom's motto . . . "How Good to Live and Learn."

26 Pep's Diary Completed!
